ECE 404: Child Guidance	3	✓					
<i>Apply for Spring graduation prior to Sep 9th</i>							
<i>Semester Total</i>	<i>15</i>			<i>Semester Total</i>	<i>12</i>		
Degree Total: 124 Credit Hours							

College/ Program Notes:

Assumptions: college-level readiness in MTH & ENG; no Foreign Language Deficiency. The plan above is a suggested guide to ensure that all General Education, College, University, and Major requirements are met within 4 years of study. Students may deviate from the suggested placement of Gen Ed courses, although the M/QL and W/C requirements should be completed during the first year of study.

Students must have a minimum of 124 total credit hours, of which a minimum of 24 credit hours must be upper division (300- or 400-level courses).

University Notes:

Gen Ed Key:	SS = Social Sciences (P-5 majors must take PSY 200 and HED 210)
INTRO = Introduction to University Life Requirement (one course)	A&H = Arts & Humanities (two courses): One course must be HIS 111
W/C = Writing/Composition Requirement (two courses; C or better required)	** To fulfill the AALAME Requirement and program foci, the second A&H courses must come from ANT 103 or ANT 171; HIS 165, or PHL 255
M/QL = Mathematics/Quantitative Literacy Requirement (two courses)	NS = Natural Sciences (2 courses, one with a lab):
DIV = Social Diversity Requirement (two courses):	P-5 majors must fulfill the Natural Science with lab requirement by taking EVS 206 and EVS 207
To satisfy the US Diversity requirement, take EDB 242	* The second Natural Science course must come from the program-approved list: BIO 100 or BIO 108; CHM 151; PHY 101 or PHY 102; or UST 259
To satisfy the African-American Experience, choose from the approved list	CAP = Capstone Experience
WAC/SPAC = Writing/Speaking Across the Curriculum (3 course; At least one course must be in the major)
